Public Safety Scholarship Information

Who is eligible?

A dependent child(ren) of an actively working sworn law enforcement officer, professional firefighter, or licensed paramedic are eligible (Note, only one parent will be considered eligible per family if both parents are employed in the above listed careers).

How much is the scholarship?

The scholarship is \$ 500.00 per child.

Is the scholarship renewable?

It is our intent to offer this scholarship for as long as it is economically feasible for the school. Due to the nature of private school funding, this decision will be made on a year-by-year basis.

Is my child guaranteed a space?

There are limited openings in each grade. All spaces are awarded on a “first-come, first-serve” basis.*

Does the scholarship apply to civilian employees of these departments?

No. Due to scholarship funding, only actively working sworn law enforcement officers, licensed firefighters, and licensed paramedics are eligible.

*** Scholarship recipients must meet and adhere to WCS admission, academic, and disciplinary policies as stated in the Parent/Student Handbook.**
