Vision Statement

Wellington Christian School will be a home for students to receive a Christ-centered education focused on preparatory studies where Christ is pre-eminent and the Bible is the guiding authority. Serving Palm Beach County, the school partners with parents and Wellington Presbyterian Church, PCA, to train, develop, nurture and uniquely instruct each student to their highest God-given potential. Loving, dedicated and highly qualified teachers instruct and challenge students to love God, apply biblical principles to their lives, and to become lifelong learners through an educational program defined by spiritual, academic and extracurricular excellence.

The ultimate goal is to graduate a mature, well-educated student, who lives for the glory of God, thinking biblically and critically, upholding Christian character and servant leadership through a personal relationship with Jesus Christ.

Core Values

Standing With Christ: Christianity is a personal relationship with Jesus Christ, not a set of rules.

Founded On The Bible: The Book of the Covenant is the Word of God giving His people the Good News of redemption and eternal life for those in Christ. It is God's authorized interpretation of His creation.

Dignity Of All People: Every student, employee, and parent is a unique imagebearer of God with equal value, worth, and respect.

Parent Partnership: Faculty and staff serve as partners with parents, supporting one another in teaching and instructing their children.

Raising The Bar: We are committed to excellence in all things, to continuous school improvement, to providing a royal education for the children of the King of Kings.

Servant Living: Christ calls us to leadership by servanthood, that is, to building the Kingdom of God by being the instruments of God's grace through serving one another.

Covenant Community: God-centered teambuilding and personal relationships build Christian families, churches and the local community in order to impact the world for Christ.
