

Referral Credit Information

1. How much is credited against my tuition bill if I refer a student to WCS?

The credit will reduce your tuition bill by \$500.00 per each new child that enrolls. The student must be enrolled and all financial obligations remain current for that 90 day period.

2. What grade levels does the credit apply?

PK3 through 12th grade can receive the credit but the student enrolling must be in Kindergarten through 12th Grade.

3. When will I receive the credit reducing my tuition bill?

The Credit is issued after the referred student has attended 90 days (3 months) and all financial obligations are met.

4. Who is eligible to participate in the referral program?

All enrolled families including WCS employees are eligible to participate. (Employees must be receiving less than 100% tuition discount to participate.)

5. If my tuition balance is zero can I receive a cash refund?

No, cash is never refunded if a person refers people to an extent greater than the individual's tuition liability. However, it may be transferred to another family if desired.

6. Will I receive this amount off my tuition next year for these same students if they return?

No, this is not a renewable credit.
