

Dear WCS Families, Staff and Faculty:

WCS has launched the Great Lakes Scrip Center Program (GLSC). For those of you who missed the PTF meeting on Thursday morning November 5, WCS unveiled participation in the GLSC program designed to help each family pay towards their tuition expenses.

Many schools are using the GLSC program to help families offset tuition costs in these tight economic times. Unlike other fundraising programs, Scrip does not involve any selling. Families need only shop at the same retailers they do today but pay with a gift card instead of cash, checks or credit cards. Each gift card has an associated rebate which **DIRECTLY OFF-SETS YOUR TUITION**.

GLSC has over 275 retailers to choose from including Wal-Mart/Sam's Club, Applebee's, JCPenney, Home Depot and many of your local grocery retailers. They also offer American Express and Visa Gift Cards allowing your family to shop at thousands of additional retailers like Target, Costco, and Nordstrom's. A complete retailer list is available at [ShopWithScrip.com](http://ShopWithScrip.com).

GLSC offers several on-line tools that enable our scrip program to become very successful:

- **ShopWithScrip.com** – Families can order on-line anytime without any paper order forms. You can also completely manage your scrip program from any internet connected computer.
- **PrestoPay**- Families can pay on-line when they order. No need to make a special trip to drop off a check.
- **Re-Load Gift Cards** – This allows families to re-load a gift card at any time and the rebate goes right back to your organization.

**NOTE:** There is a small administrative fee of \$8 per family this school year. This fee will be due upon picking up your first order. This fee will assist WCS in covering the shipping costs of the gift cards. WCS does not make any money on this program. It was approved only as an off-set of your tuition costs.

General Steps:

1. Logon to **ShopWithScrip.com**
2. Complete the Family Sign-Up (Create an Account)
3. **Enrollment Code: 3EAL286921127** to assign Wellington Christian School as the non-profit organization.
4. **SHOP! SHOP! SHOP!**
5. **Enroll to use the Easy Pay option at check out**  
To keep manpower down, this will be the only accepted payment method for Wellington Christian School. There is a minimal convenience fee of \$.39 per Easy Pay transaction.
6. WCS will process the "batched" orders every Tuesday, for delivery every Thursday.
7. Gift Card orders will be available for pick-up on Friday from the main school receptionist located in the secondary building.
8. Family credits will be posted to tuition accounts twice a year (January & April)

If you have any questions about this program, please contact Nancy Schurter, [nschurter@wellingtonchristian.org](mailto:nschurter@wellingtonchristian.org) or 561-793-1017.

Best Regards,

Don Stimely  
CFO
